

IT'S A BRIDGEVILLE THING—READ OVER IT!

Bridgeville Borough - 425 Bower Hill Road—Bridgeville, PA 15017 412-221-6012
Office Hours: Monday through Friday 8:00 am until 4:30 pm

3rd Quarter—August—
September—October 2016

Leaf Clean Up will begin during the week of October 10th until the first week of December, weather permitting. Leaf pick up will follow the street sweeper schedule. For a complete listing please visit our official website www.bridgevilleboro.com or call the Borough office for more information.

Sweep your leaves in a pile at the curb for the sweeper to pickup. Remember to be cautious about running vehicles nearby as this can pose a fire hazard.

Brush Grinder program runs in November following the street sweeper schedule. Trimmings and limbs will be accepted and are to be placed at the curb for pick up. Logs must be no larger than 12 inches in diameter. All brush material must be free and clear of roots and dirt as this is a safety hazard for our public workmen.

MS4 Permit:

Municipal Separate Storm Sewer System

Did you know that your municipality has an MS4 permit? The Municipal Separate Storm Sewer System (MS4) Program was administrated through the Federal Clean Water Act (CWA) in 1999. Pennsylvania implemented state regulation of the MS4 permit in 2003. The underlying goal of the MS4 program is to prevent stormwater pollution from entering streams, lakes, ponds, rivers, etc. Municipalities are required through the EPA and PA DEP to implement a stormwater management program comprising of 6 minimum control measures (MCMs).

MCM #1 Public Education and Outreach Program

Requirements are to educate the public on stormwater pollution and prevention. Distribution of stormwater educational materials can occur through bulletin boards, newsletters, magazines, public meetings, Township's webpage, and social media.

MCM #2 Environmental Activities and Events

Requirements are to promote environmentally related activities for public participation. Some examples are planting days, cleanup programs, storm drain stenciling, and collection events.

MCM #3 Illicit Discharge, Detection and Elimination

Requirements are to develop, implement and enforce a program to detect and eliminate illicit non-stormwater discharges. The program primarily consists of a storm sewer system map, an ordinance prohibiting illicit discharges, stormwater outfall screenings, and illicit discharge education.

MCM #4 Construction Site Stormwater Runoff Control

The goal of this MCM is to reduce stormwater pollution from construction sites disturbing one or more acres. In Pennsylvania, Townships typically rely on PA DEP's statewide program that requires the local county conservation district to undertake these tasks.

MCM #5 Post Construction Stormwater Management

Half of these MCM requirements are fulfilled through the local county conservation district. Encouraging low impact development, implementing an ordinance for post construction runoff, and enacting a program for operation and maintenance of stormwater best management practices (BMPs) are the Township's responsibilities.

MCM #6 Pollution Prevention and Good Housekeeping

Educating and training Township staff to prevent and reduce stormwater pollution from municipal activities is the last MCM of the MS4 permit. These municipal activities consist of but are not limited to winter road maintenance, salt storage, street sweeping, and lawn mowing. The Township is required to develop written standard operating procedures (SOPs) for each activity that can generate stormwater pollution.

These 6 MCMs not only rely on the Municipality for compliance, but cooperation and participation with its citizens to further advance the stormwater pollution prevention efforts.

Ordinances for your review and compliance:

Open Fires and Burning

E-Code—Bridgeville Borough Code is now online. See Official Borough website www.bridgevilleboro.com click on E-Code bottom right corner of home page.

§503. Exceptions.

Subject to the following exceptions:

1. Open fires may be set in the performance of an official duty of any public officer if the fire is necessary for:
 - A. The prevention of a fire hazard which cannot be abated by other means; or
 - B. The protection of public health.
2. Open fires may be conducted solely for the purpose of noncommercial preparation of food for human consumption, light, recreation, camping, or provision of warmth for outside workers.

FIRE PREVENTION AND FIRE PROTECTION

7-16 12/12/2005

3. Notwithstanding the foregoing exceptions in Subsection (2), the exceptions shall be further restricted as follows:

- A. Such burning shall contribute only a negligible amount of air contaminants and shall not create any hazardous or other objectionable condition.
- B. No burning shall be conducted on "ozone action" days as declared by Borough or Allegheny County officials.
- C. Only dry, clean wood products or other clean-burning fuels shall be burned; no building materials.
- D. Only smokeless fuels, if any, shall be used to start a fire.
- E. The material being burned shall be no larger than three (3) feet in diameter and shall be enclosed by a stone or block ring.
- F. No such burning is allowed within ten (10) feet of any street, sidewalk, structure, inhabited area, property line, utility or overhanging structure.
- G. All burning shall take place between the hours of 9:00 a.m. and 11:00 p.m.

§ 401—Animal Noise a Nuisance [Ord. 848, 12/19/1996, §1 It shall be illegal within the Borough of Bridgeville for any person or persons to own, possess or control any animal which makes any noise continuously and/or incessantly for a period of 30 minutes or makes such noise intermittently for one hour or more to the disturbance of any person any time of the day or night regardless of whether the animal is physically situated in or upon private property, said noise being a nuisance; provided, that at the time the animal is making such noise no person is trespassing or threatening to trespass upon private property in or upon which the animal is situated nor is there any other legitimate cause which justifiably provoked the animal.

§ 402—Penalties: Any person, firm or corporation who shall violate any provision hereof shall, upon conviction thereof, be sentenced to pay a fine of not more than \$600 and in default of payment, to imprisonment for a term not to exceed 30 days.

§ 27-1001—Performance Standards

§ 27-1001.3—Noise

No operation or activity shall cause or create noise in excess of the sound levels prescribed below

A. Conservation and Residential Districts: *At no point beyond the boundary of any lot within the C, R-1 or R-2 Districts shall the exterior noise level resulting from any use or activity located on such lot exceed a maximum of 60 dBA for more than four hours during any twenty-four-hour equivalent period. (see full ordinance for Paragraphs C-D)*

E. The following uses or activities shall be exempted from the noise regulations:

- (1) Noises emanating **from construction or maintenance activities between 7:00 am and 9:00 pm.**
- (2) Noises caused by safety signals, warning devices and other emergency-related activities or uses.
- (3) Noises emanating from **public or private recreational uses between 7:00 a.m. and 11:00 p.m.**

News from the Bridgeville Athletic Association:

First **Ron Schott Memorial Softball Tournament** to be Held **September 24, 2016** at Chartiers Park.

The tournament is part of an all-day memorial celebration and family picnic to honor Ron Schott, a Bridgeville resident who passed away in 2014 from a heart attack. Net proceeds will be used to support high school scholarships and purchase a defibrillator for the fields. After Ron passed away, family members and friends wanted to create a way to honor and celebrate someone who made a difference throughout the community. With the softball tournament as the centerpiece, we hope to have an event that will make a difference too.

Activities include food and drinks for sale, a Chinese auction, 50/50 drawing, and games such as corn hole and bocce. The softball tournament will begin at 8am and continue throughout the day on the large field at Chartiers Park.

In April 2017, the committee will award the first Ron Schott Memorial Scholarships. These two scholarships will be awarded to Chartiers Valley High School seniors, one for a lacrosse player and one for a swim team member who will pursue further education at a trade school or university. Recipients will be chosen based on academic record school and community activities, and an essay describing their passion for helping others.
