425 Bower Hill Road Bridgeville, PA 15017 412-221-6012
Office Hours: Monday through Friday 8 a.m. to 4:30 p.m.

Washington Avenue Waterline Replacement, Sanitary Sewer Repair and Street Resurfacing

Pennsylvania American Water Company Mainline Replacement is anticipated to start the first week of February.

Approximately 3,100 linear feet of pipe between Chartiers Street and St. Clair Street is being replaced. The section from Chartiers Street to Bower Hill Road is to be completed first per PennDOT. The second section will be from Bower Hill Road to the point near St. Clair Street.

The proposed location of the new main line is in the right lane of Washington Avenue when traveling from Chartiers Street towards St. Clair Street. The contractor for Pennsylvania American Water Company is Casper Colosimo and Sons. PennDOT is requiring this work to be done first so that Lane Construction, who is under contract with PennDOT, can complete their resurfacing work.

The Sanitary Sewer repair has been placed out for bid with the awarding of the contract to be made at the February 8th Council Meeting. The contract for sanitary sewer repair work will specify that the repair work is to be started in early March and completed by April 15, 2015.

All work will be done at night from 8 P.M. to 6:00 A.M. with the completion of both the waterline and sanitary sewer being accomplished by May 1, 2016.

Borough Council Meets on the 2nd Monday of each month. Agenda meetings are at 6:30 and Voting meeting at 7:00 p.m.

Bridgeville's Military Banner Program

Bridgeville has always taken great pride in the men and women who have served our country in its times of need. Now we'd like to take this opportunity to invite you to help us honor your friends and family who have served our great country. For those who have asked, your honoree did / does not have to reside in Bridgeville.

The Military Banner Program salutes the brave men and women who are currently serving and those who have served in the military by creating and displaying a 24" x 18" military banner to be exhibited between Memorial Day and Veterans' Day for years to come.

The following are part of Bridgeville's Code of Ordinances and adopted to maintain a safe community for all residents:

Property owners/residents with sidewalks in front of their property are responsible for keeping them clear of ice and snow and clearing them within 12 hours of a snowfall. Snow is not permitted to be shoveled from the sidewalk into the street.

Owners of dogs and cats must restrain their pets and not allow them to run loose.

Repair and replacement of curbs and sidewalks are the responsibility of the property owners.

Cars not in running condition and/or without a valid inspection sticker or registration are not permitted on residential property for more than 30 days.

All residents of Bridgeville are required to be good neighbors and not allow activities on their property to generate excessive noise, accumulate trash or allow yards to be unkempt. Borough code requires regular maintenance of your property.
