

IT'S A BRIDGEVILLE THING - READ OVER IT!

425 Bower Hill Road, Bridgeville, PA 15017 412-221-6012
Office Hours M-F 8-4:30

3rd Quarter—August, September and October, 2019

We welcome Cheryl Glowark to our Borough family. Cheryl has been hired as the Assistant to the Borough Manager. She, as well as Sheryl Valentino are glad to help our residents with any questions or concerns that they may have. You may reach either of them at 412-221-6012 during office hours Monday through Friday 8 to 4:30.

Both of these women have been doing a tremendous job holding down the fort in Borough Manager Collins' absence.

We certainly wish Borough Manager Collins a speedy and smooth transition back to borough business when she returns from her recent medical leave.

McLaughlin Park Update: We are waiting for the permits from the DEP to do the trash rack and field lowering projects as part of flood mitigation. Construction equipment will have to be driven through the park, so the grant we received for renovations will not be bid until these two projects are complete. We have until December 2020 to complete the park upgrades.

GENERAL PROPERTY MAINTENANCE AND CLEAN UP

The Borough of Bridgeville would like to remind residents of their responsibility to maintain their property throughout the growing season. This includes maintaining all sidewalks, trees, shrubs, grass and weeds on your property.

Chapter 10 Health and Safety Part 1 § 101 of the Borough Ordinance states in part, "no person shall permit any grass or weeds or any vegetation to grow or remain upon premises to exceed a height of six (6) inches." § 102 states in part, "owners and/or occupants of premises shall remove, trim or cut all grass, weeds or other vegetation growing."

When a property has high grass and weeds, it invites unwanted creatures to the area. In addition, cleaning up debris lying around the outside of the home deters animals and other creatures from taking up residence on your property. Maintaining your property makes it safe for everyone!

Borough Offices will be closed for following holidays:

September 2—Labor Day

November 28-29—Thanksgiving Day

Leaf Clean Up will begin during the week of October 7th until the first week of December, weather permitting. Leaf pick up will follow the street sweeper schedule. For a complete listing please visit our [official website www.bridgevilleboro.com](http://www.bridgevilleboro.com) or call the Borough office 412-221-6012 for more information.

Sweep your leaves in a pile at the curb for the sweeper to pickup. Remember to be cautious about running vehicles nearby as this can pose a fire hazard.

Brush Grinder program runs in November (and April) following the street sweeper schedule. Trimmings and limbs will be accepted and are to be placed at the curb for pick up. Logs must be no larger than 12 inches in diameter. All brush material must be free and clear of roots and dirt as this is a safety hazard for our public workmen.

THANK YOU!

As you will see on the Fire Department page, BVFD has a new chief.

The Borough would like to thank former Chief Bill Chilleo for his 30+ years of volunteer service to our community, twenty-one as Chief.

Thanks Bill, we appreciate all you do for our community!

Reminder— Garbage pickup the first full week in September will be Saturday, September 7th—due to the Monday, Labor Day Holiday. It's the law—Garbage is NOT to be put out before 6 pm the night before!

The driver of a vehicle approaching an intersection at which a school bus is stopped shall stop his vehicle at that intersection until the flashing red signal lights are no longer actuated.

Mayor Copeland wishes everyone a safe return to school. SouthBridge EMS In The Community - Community CPR and First Aid Training

During the Bridgeville Day on the Avenue in June, SouthBridge EMS kicked off its Community CPR program, aimed at educating the communities on hands only CPR. Demonstrations were provided to any member of the community that was interested in learning the skill. During the event, the organization provided training to more than 20 people between the ages of 6 and 99. Thanks to the program, those individuals in our community are now better prepared to increase the chance of survival for someone during a sudden cardiac event. The goal is to educate as many people as possible in this potentially lifesaving skill.

According to the American Heart Association, approximately 75 to 80 percent of out-of-hospital cardiac arrests occur at home, so effective CPR training can mean the difference between life and death for someone you love. Effective bystander CPR, provided immediately after cardiac arrest, has the potential to double a victim's chance of survival. Therefore it is extremely important to learn the skills necessary to provide effective CPR in an emergency. SouthBridge EMS can provide you with the education to increase the chance of survival for someone experiencing a sudden cardiac event.

If you need to renew your CPR or First Aid card, would like to provide CPR or First Aid training to your employees, or simply want to learn the basics so you can be prepared for an emergency, please call SouthBridge EMS at (412) 221-5115 or email Info@SouthBridgeEMS.com.

If you would like to donate to SouthBridge's Community CPR and First Aid efforts, please visit www.SouthBridgeEMS.com and select "Donations".

SouthBridge EMS is a charitable, 501(c)(3) emergency medical organization serving Bridgeville Borough, South Fayette Township, and Cecil Township.

The Bridgeville Greater Area Lions Club is holding third annual **Pasta Dinner**. The dinner is scheduled for **October 3, 2019**, at the **Alpine Hunting and Fishing club, 220 Alpine Rd, Bridgeville, PA**. Adults \$12.00
Children \$6.00 (12 and under) (Under 4 free)
Tickets at the door \$14 – Take out available

This year's event will collect funds to address childhood cancer and diabetes. Children are a gift to the world, yet every two minutes a child is diagnosed with cancer. Children who survive cancer are often left with debilitating effects that can impact their physical development and ability to learn. That's why the Bridgeville Greater Area Lions are answering the call to expand access to life-saving treatment and support the children and families who need us most. We are working to give children with cancer a second chance at life.

If you do not pay by the discount date of August 31st, or by the Face Date of October 31st, it is recommended that you take advantage of the installment plan. If the school taxes are not paid by the end of December, the unpaid taxes are turned over to the lien Tax Collector and an additional 10% penalty, plus costs, will be added to the tax bill. ***Bridgeville Borough has no control over school tax increases made by CV School Directors***

The Bridgeville Borough tax remains the same as indicated on the tax statement. Please include a self-addressed, stamped envelope when paying your taxes in order to receive your paid receipts in a timely manner.
