

Snow Angels

Offering Support for the Residents of Bridgeville Borough

With winter on its way, snow-covered sidewalks and driveways are right around the corner. For older residents and residents with mobility issues, winter elements can be hazardous.

Fostering the bonds of community, the Snow Angel program works to pair residents in need with helpful volunteers to ensure sidewalks and driveways are clear of snow and ice. Clear walkways make our sidewalks safer for everyone, including our community workers, like postal carriers, emergency services, and trash collectors.

Snow Angel Program Guidelines:

- Matches are made on a rolling basis and may not be made right away. Requests and volunteers are accepted throughout the season and matches will be made as they are available.
- Those requesting services are expected to provide a shovel and salt to the Angel volunteer. Those requesting services should not need to be home to receive services.
- Areas are expected to be clear as soon as possible, but within 24-hours of the end of a snow event.
- No payment is required.

Volunteer to be a Snow Angel

As a Snow Angel, you will be paired with a resident in need located within a 10-minute walk from your residence. Bridgeville Borough will confirm all of the details with your match as a match is made. If you are willing to help more than one neighbor, please let us know on the registration form.

Request help from a Snow Angel

If you are at least 60 years old or have a physical disability and live within Bridgeville Borough, you are eligible to participate in the Snow Angel Program. Due to the demand of this program, we ask that you only apply if you have a definite need and you do not have the financial means, or friends or family in the area to assist with snow removal.
