Highlights

At a CVPS outreach event, one of the teachers told Karen that her daughter is going into marketing. She credits this career choice in part to our teen volunteer program. Her daughter volunteered with us during COVID and took part in virtual opportunities like video editing and graphic design. She was also a teen manager who oversaw other teen volunteers.

We began a new partnership with The Watson Institute this month. During the school year, we will place a monthly Storywalk on their grounds for their students to enjoy during warm weather.

The Friends of the Bridgeville Public Library presented us with a \$5,000 check at their annual Fashion and Vendor Show. Part of the funds will go towards summer programming. In April and May the Friends hosted a book sale, raffle, and Fashion Show to raise money for the library. In total, \$5,629 was raised at these events thanks to the support of our generous community!

Subject: BBPA update to council - June 2026

Joe,

Listed below is the monthly update of the Bridgeville Borough Parking Authority:

- 1) The Parking Authority will have a meeting on Monday, June 15th at 7pm in the brough building.
- 2) Annual spring lot landscaping and clean-up is completed for 2026.
- 3) Trash pick-up continues monthly in all lots.
- 4) The BBPA is still waiting for a response from D.A. Zappala's office regarding the request for assistance to help offset costs on upgrades of current camera system.
- 5) Installation of additional signage is not completed due to a supply chain delay in the availability of new metal poles.
- 6) The BBPA continues to operate in the black.
- 7) The BBPA is waiting to submit (June 2026) for EV funding through the PennDOT NEVI Community Charging Funding program once the window opens for the West Region of Pennsylvania. We have also received information from a company that covers all costs associated with EV charging systems and provides a profit-sharing plan once their costs are recuperated.
- 8) The BBPA is obtaining estimates for the tree trimming needed in Lot 2. The work cannot be completed until the Oct/Nov timeframe due to the type of trees (Oak) located in our lot.
- 9) BBPA personnel met with Contractor, Engineer and Borough Manager at the pre-construction meeting regarding Lot 2. Lot 2 paving project to commence the week of June 22nd (weather permitting). BBPA personnel working to obtain permissions to move Lot 2 permit holders to different locations during the Lot 2 repaving project. This to ensure maximum number of parking spaces for the visitors of Bridgeville.
- 10) Working on a plan to offer parking spots (storage) for small campers, boats and/or trailers that are no longer permitted to park long-term on borough streets in Lot 3 on Baldwin Street.

Sincerely,

Deb Colosimo
